SIGNAL-STAT LED LIGHTING

The Signal-Stat line of LED Lighting Products has been engineered to offer high quality LED lighting technology, while using full pattern optics popular among owner-operators. With clear-lens, red and amber lighting products, the Signal-Stat LED line presents a clean, streamlined appearance. This complete line of LED lamps offers solutions for a growing number of heavy-duty lighting applications. From stop, turn and tail lighting to back-up lamps, the line is able to retrofit virtually all existing trailers, through the use of standard industry plug connections. All Signal-Stat LED lamps are tested for performance, providing operators and smaller fleets superior quality lighting products made to the highest American standards.

FEATURES & BENEFITS INCLUDE:

• Standard two-year limited warranty

• Universal connections for easy retrofit

• Extremely resistant to shock and vibration

• Encapsulated electronics prevent damage from shock and vibration

• Less current draw than incandescent lights

• Unique diode LED arrays display a full pattern light output design

- Ideal for light utility, construction, agriculture, airport and tow trucks, state and highway departments
- Polycarbonate lens & housing
- Blunt-cut wire

WARRANTY

Truck-Lite extends a **Limited 2-Year Warranty** to the original purchaser that the Signal-Stat Sealed LED lamp is free from defects in workmanship and/or materials only. Truck-Lite will replace any Sealed LED Lamp to the original consumer/purchaser, if the lamp fails due to defects in workmanship and/or materials only.

The LED Limited 2-Year Warranty does not apply to applications such as buses, construction equipment and off road vehicles. (These applications are examples only and are not inclusive of all excluded applications) Many chemicals and/or cleaners are incompatible with Signal-Stat sealed LED products. The LED Limited 2-Year Warranty does not apply to damage, including but not limited to, damage resulting from the use of incompatible chemicals or cleaners, improper installation, modification of lights, or when lights are used with non-Truck-Lite approved wiring accessories. Failure to meet these conditions will void this LED 2-Year Warranty.

This LED Limited 2-Year Warranty is not transferable and applies to the original installation of the Signal-Stat Sealed LED lamp for as long as the original consumer/purchaser owns the vehicle.
