

WONDEROLLER™

Perfect for dry freight applications, this roller has been tested to last 5 - 10x longer than a standard roller. A fully sealed bearing to keep dust and debris out.

Part# 70598.0000 - 1" WR

Part# 70600.0000 - 2" WR

Our rollers keep you rolling, and rolling, and rolling....

SUPEROLLER™

Perfect for insulated applications, this roller has been tested to last 5 - 10x longer than a standard roller. The roller has a special nylon coating on the shaft to keep rust from forming and creating those unsightly rust streaks in your truck or trailer.

Part# 70542.0000 - 1" SR

Part# 70558.0000 - 2" SR
