Ervin Joins Dealership Network for Stoughton Trailers

STOUGHTON, Wis. (Monday, November 28, 2016) — Ervin is the newest addition to the network of North American dealers for Stoughton Trailers, LLC.

Stoughton Trailers' extensive family of dealerships covers the entire United States, Mexico and Canada. Ervin's sales territory for Stoughton Trailers will be focused on the South as well as a few other strategic areas.

Based in Toledo, Ill., Ervin started as a one-man operation, and has grown to become a successful global supplier of new and used transportation equipment. Similar to other Stoughton Trailers dealers, Ervin offers many services beyond sales to serve as a one-stop resource for its customers.

"Ervin brings a great deal of experience and resources to our dealership team," said Stoughton Trailers Vice President of Sales and Marketing Brian Kahl. "We especially like that Ervin is in a position to deliver a complete suite of services — such as trailer leasing, repairs, parts and financing."

"We at Ervin are excited to offer Stoughton® brand trailers," President Cole Ervin said. "Family-owned Stoughton Trailers matches our same core values, as we are family owned and operated as well. This partnership could not have come at a better time as Stoughton Trailers has an aggressive business plan that aligns with ours. We look forward to growing with them in the future."
