DAMAGE ANNOYANCE POLICY

We Prevent Damage, We Don't Profit From It

At Stoughton Lease, we know how you feel about damage rebills. We also know that the rental and leasing industry has no one to blame but itself for being leery of these charges. Because we provide

the toughest, most damage-resistant trailers on the road, we don't need the sales gimmicks that other trailer rental agencies use, promising standardization of repairs with no markups and no

profit. We pledge to do everything we can to not bill you back for damages at the end of the rental period. We refuse to profit from our customers misfortune.

We will never bill you for the following annoying damages at the end of the lease:

- Plywood
- Cuts in the side skins smaller than 15 inches
- Roof patches less than 15" x 15" that are patchable
- Cosmetic dents in top and bottom rail
- Cross members not bent more than 1/4"
- Any scratch on any panel
- Bottom rail rivets
- Damage to lights or lenses
- Attaching scuff liner
- Sweep-outs
- Transportation cost to and from repair facilities
- Refastening roof bows
- Reattaching door seals
- Broken or missing door holdbacks
- Decal removal

At Stoughton Lease, we put the highest priority on the ease and fairness of the check-in and checkout process. Our branch employees will ensure that no mistakes or oversights occur because our reputation and your future business depend on it.
