The Wisconsin Family Business of the Year Award, sponsored by Smith & Gesteland, LLP, a Madison-based CPA and Business Consulting firm, First Business Bank and the Husch Blackwell law firm, highlights and celebrates the accomplishments and contributions of family businesses that make an impact on their communities and the Wisconsin economy.

Winners are selected by an independent panel of judges from nominations solicited from family businesses in Wisconsin. Criteria for selection include the family business' contribution to its community and industry, its positive links between family and business, and innovative practices used in its business.
