Product Announcement: Nov 19, 2016

In Q1 2017, Stoughton Trailers will begin installing Wabco Brake Chambers and Stemco brake slack adjusters as standard equipment on all Stoughton Trailers. Orders placed for delivery in mid-February or later will see these new components as standard equipment. These new components feature an improved warranty, providing customer's confidence that these components will provide longer product life.

Component	Q1 2017 OEM Supplier	Current Warranty - Parts	Current Warranty - Labor	New Warranty - Parts	New Warranty - Labor
Slack Adjuster	Stemco	6 years	1 year	6 years	6 years
Brake Chamber	Wabco	4 years	1 year	7 years	3 years

The Wabco brake chambers features an internal breathing valve (IBV) which helps keep the chamber clean by allowing the chamber to breathe using clean air from the service side of the chamber, extending the life of the parking spring.

The Stemco Crewson brake slack adjuster includes the patented Auto Check feature which allows the user to check the brake stroke without climbing under the trailer. Additional details can be found in the component brochures.

The Haldex brake chamber and Haldex slack adjuster will continue to be available as optional equipment for an additional charge and with a possible impact on delivery.

Please contact your sales representative or 608-873-2500 if you have any questions.
