**Stoughton Lease Announces Expansion of Services in
Oklahoma City & Knoxville Area Branches to include New Trailer Sales**

STOUGHTON, Wis. (June 21, 2016) — Stoughton Trailers, LLC, a national leader in transportation equipment, is pleased to announce that effective immediately Stoughton Leasesm, an affiliate of Stoughton Trailers, will sell new Stoughton® trailers through its branch locations in Purcell, OK and White Pine, TN. Stoughton Lease is a tradename of Stoughton Rental & Leasing Company, LLC.

In addition to its current fleet of rental trailers, both Stoughton Leasesm branches now carry an inventory of new Z-Plate dry van trailers for sale onsite for immediate delivery. Each location can now offer a complete package of trailer ownership options – customers can purchase, lease or rent a Stoughton® trailer. Custom lease-to-own packages are also available through Stoughton's finance company, Stoughton Trailers Acceptance Company, which can be processed on-site at Stoughton Lease branch locations in Purcell, OK and White Pine, TN.

The Purcell, OK branch serves customers in Oklahoma and North Texas from its location adjacent to I-35. Stoughton Lease shares the property with Barrett Trailers, another Stoughton Trailers affiliate company, which manufactures livestock trailers. The White Pine, TN branch serves the greater Knoxville area from its location adjacent to I-40 and also maintains a large rental fleet and many new trailers for sale.

“These expanded services reflect our dedication and commitment to meeting the total needs of our customers, many of which prefer to have a mixture of rental and purchased trailers in their fleet” said Paul Sulewski, President of Stoughton Lease.
